

NOTICE OF A PUBLIC MEETING

To be held by Leader Resources Services Corp., developers for Leader Energy.ca Corp. regarding a
Proposal to Engage in a Renewable Energy Project
Section 15 (1)(b) Ontario Regulation 359/09

Project Name: Clarington Wind Farm (the Project)

Project Location: In the Township of Clarington, in the Regional Municipality of Durham, Ontario

Dated At: Clarington, this the 19th day of January, 2012

Leader Energy.ca Corp. is planning to engage in this renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project itself is subject to the provisions of the *Environmental Protection Act of Ontario* (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This Notice is being distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed by the Ministry of the Environment.

Meeting Location:

Date: February 22, 2012

Time: 4:00 pm to 8:00 pm

Place: Newcastle Community Hall
20 King Ave. West
Newcastle, ON

Come meet the project staff, see the maps and ask questions. Studies are underway and study results will be available in May 2012, prior to a second public meeting in July 2012.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the Project is to be engaged in, is considered to be a Class 4 wind facility.

If approved, this facility would have a total maximum contract name plate capacity of 10 MW. The project location in the Municipality of Clarington, Regional Municipality of Durham, Ontario is described on the map.

The Draft Project Description Report titled the Clarington Wind Farm Project Description Report describes the proposed wind farm as a Class 4 wind facility with a maximum contract name place capacity of 10 MW and consisting of 4 wind turbines (2.5 MW/turbine). The Project will also include electrical collection lines, a substation and ancillary features such as access roads. A written copy of the initial Draft Project Description Report was made available for public inspection on January 19th, 2012 at www.lrsc.ca.

Further, Leader Resources Services Corp., the developer for Leader Energy.ca Corp has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available for public inspection starting on May 16, 2012 at www.lrsc.ca or the Planning Department of the Municipality of Clarington.
